

REMARKS

We trust that the examiner will now find the application to be in condition for allowance and reconsideration is respectfully requested. We apologize for the oversight when adding a substitute specification in the previous amendment. The substitute specification does not contain new matter. In addition, the examiner will note that Claims 47, 48, and 51 have been cancelled without disclaimer or prejudice and that Claims 49 and 50 have been amended to overcome the objections raised. It is respectfully submitted that this amendment will require neither a new search nor substantial recommendation.

In view of the above, it is respectfully submitted that the application is believed to be in condition for allowance.

The Commissioner is hereby authorized to charge any additional fees which may be required or credit any overpayment to Deposit Account No. 50-1145, Order No. 769-226DIV2.

Respectfully submitted,
